

# SIR ARTHUR SULLIVAN

## Complete List of Autograph Manuscripts

The following list incorporates all of Sullivan's major works, although not all of the manuscripts are known still to survive; titles listed *in italics* are known to have been composed (although not necessarily performed) but are now lost. Almost all of the songs, hymns, anthems and services have disappeared without trace, but records have been traced of the sale, at auction, of several of these, and that fact is noted here, although the purchasers are unknown, and the manuscripts themselves have disappeared. It is hoped that anyone reading this list, with knowledge of any Sullivan manuscript not listed here, will contact the Librarian directly!
